Re: **HB 4076** – Establishes Small Donor Funded Elections program – **Support**

The League of Women Voters of Oregon (LWVOR) and nationally (LWVUS) have supported small donor financing of elections with their studies and advocacy positions since the 1970s.

The Small Donor Elections program will allow everyday people to participate in our elections and government without the fear that their campaign contributions will be overwhelmed by the power of big money.

The Small Donor Elections program will also diversify candidate participation. It breaks down the barriers that money creates for those running for office so that candidates can reflect the geographic, racial, gender, and economic diversity of Oregon.

As demonstrated by Vote-by-Mail and Motor Voter, Oregon has always been a leader in creating a strong democracy. Small donor funded elections will continue Oregon's leadership.

Thank you for the opportunity to discuss this legislation.
